TECHNICAL INSTITUTE

QUARTERLY NEWSLETTER

4TH QUARTER AT A GLANCE:

HAPPY HALLOWEEN!

NMTech joined in on the spooky fun spirit of Halloween by being one of the participating vendors at the Joeten Kiyu Public Library's Trunk-or-Treat event.

OPEN HOUSE WITH CNMI DOL

The CNMI Department of Labor (DOL) hosted an Open House for the community to meet with various agencies and businesses that offer training/courses to aid professional growth.

AWARD CEREMONIES

NMTech celebrated the hard work and dedication of all our students by holding award ceremonies to present students with their well-deserved certificates.

**"AN INVESTMENT IN
KNOWLEDGE PAYS THE
BEST INTEREST."**

- BENJAMIN FRANKLIN

OCTOBER

Starting off our fiscal year with a storm... Due to Typhoon Bolaven, NMTECH classes were closed from October 10th 2023 to October 11th 2023. Classes resumed on October 12th 2023.

The Great Shake Out

OCTOBER 19TH 2023

In preparation for an earthquake, NMTECH staff and students participated in the island-wide Great Shake Out earthquake drill.

To promote cleanliness, sanitation, and organization around our campus, we conducted our first bi-annual Campus Clean Up on October 27th 2023. We believe that “a clean and organized environment not only enhances the overall experience of our team members, visitors, and clients but also contributes to our efficiency and success”. Thank you team for your hard work!

OCTOBER

On October 28th 2023, the Girls Scout of the Northern Mariana Islands visited NMTEch for a day of culinary learning and fun! The girls learned how to make quesadilla, with the guidance of Chef Nas and our Culinary students. It was awesome having the girls come by to learn an important life skill. We look forward to the next one!

On October 31st 2023, our team displayed our Halloween spirit by participating in Joeten Kiyu Public Library's Trunk-or-Treat event. Our Project Coordinator Mr. Aaron Tomokane dressed as one of the scariest - The Nun... or as our Pirate Captain Char called him, Cholo Madre 😂 Be sure to visit Trunk #13 and bring your bravest face on!

NOVEMBER

On November 9th 2023, NMTEch held it's General Staff Meeting to update all staff on the status of each department, our institution as a whole, and plans to better serve each other, the institution, our partners, and the community. Thank you team for your time, inputs, and suggestions! Let's continue our efforts to make our school the best it can be!

On November 16th 2023, NMTEch's Financial Aid and Student Services teams participated in the CNMI Department of Labor Open House hosted at the San Vicente Youth Center. This community event is an excellent opportunity for those seeking trainings to start new jobs, advance in their careers, or for their education. Other awesome participating vendors include the Office of Vocational Rehabilitation (OVR), Latte Training, Western Pacific Maritime Academy (WPMA), Island Training Solutions (ITS), and Guam Marianas Training Center (GMTC).

THANK YOU!

November 21st 2023

Thank you TurnKey Solutions for your generous ETC donation! Your donation will go towards supplies and materials needed for our students education!

DECEMBER

From November 27th 2023 to December 2nd 2023, our team visited the Universal Technical Institute (UTI) in Phoenix, Arizona. Our CEO, Jodina Attao, along with Curriculum Coordinator Taylor Ada and Automotive Technology Instructor Rodante “Dante” Yumul were given a tour of the campus and the automotive shops. Fun fact: Dante is an alumnus of UTI.

Our team participated in the ACTE CareerTech VISION 2023 Conference, where educators and professionals come together to present career technical education pathways. The conference consisted of sessions in the different areas of career and education that each participant can attend.

On December 5th 2023, our Marketing & Outreach team attended the International Day of Persons w/Disabilities Jamboree hosted at the Kensington hotel.

On December 7th 2023, our Cosmetology instructors and students, along with our Marketing & Outreach Coordinator and Curriculum Coordinator, attended the Women’s Work Week Workshop held at the Multi-Purpose Center.

DECEMBER

Congratulations

On December 19th 2023, NMTEch held its second award ceremony, presenting certificates to 69 students from our 2023 school year. These students were awarded their Certificates of Completion in their respective trades - Baking & Pastry, Culinary Arts, Automotive Technology, Core, Carpentry, Construction Craft Laborer, Electrical, HVAC, and Welding.

On December 21st 2023, NMTEch presented certifications to our Department of Correction (DOC) students. These batch of students completed their Electrical Level 2 course.

Together with family, friends, DOC staff, and Governor Arnold Palacios, we celebrated our students' achievement.

On December 20th 2023, the judging of our office/classroom Christmas Decorating Contest dubbed our Finance Department the winners! Thank you Kumoi Farms for putting our prize together!

- 1/4lb Kumoi Farms smoked pork meat
- 1/4lb Kumoi Farms tinala katni'
- 1/4lb Kumoi Farms local beef jerky
- 4oz home meat fast-cure mix
- Annie Kumoi's famous banana bread
- Wood cheese board
- Limited edition KF logo black snapback hat

HONORABLE MENTIONS

GUMA ESPERANZA

We would like to thank the Guma Esperanza for having us once again be a big part of their efforts to provide a meal to those in need, especially in the spirit of the holiday season. We would also like to thank our Culinary Arts students for preparing this delicious meal.

NMTECH THANKSGIVING

◆ *Happy* ◆
THANKSGIVING

On November 22nd 2023, NMTech staff came together for a Thanksgiving lunch celebration, with the Western Pacific Maritime Academy staff. Thank you team for your hard work and tremendous efforts in getting NMTech to where we are right now!

CAMPUS LIFE

BAKING & PASTRY IN ACTION!

Our awesome Baking & Pastry students have been learning to make beautiful tasty desserts. Check out some of their lessons!

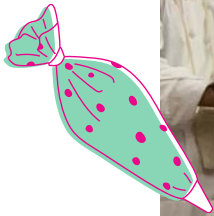

Who stole the cookies from the cookie jar??

Cake decorating: frosting & piping!

Tools of the trade.

CAMPUS LIFE

CULINARY ARTS II

Our Culinary students' lesson on Grilling & Griddling:

Prepping and marinating/season the meat.

It's grillin' time!

Cut 'em up, slice 'em up.

AUTOMOTIVE TECHNOLOGY

Our Automotive Technology students learned the proper procedures and safety measures to resurface disc brakes.

CAMPUS LIFE

COSMETOLOGY

Our Cosmetology students have moved on to the next subject in their curriculum: nails!

“Brushing up” on hair skills!
